Agency: GLOCK

Job Title: Junior – mid-weight designer

Location: East London

Salary: Depending on experience

The Job:

GLOCK are looking for a designer to join our expanding interdisciplinary team in East London!

This position requires a highly creative individual who can turn ideas into beautiful designs. We're looking for a true team player and enthusiastic individual with a curious mind and a flexible mindset. The role will be split 50/50 between working on developing designs for one lifestyle/fashion brand, and supporting on a variety of other brands we work with.

The right person will have a meticulous eye for detail and a strong interest in typography, brand creation and packaging, but also a passion for design beyond graphics in areas of visual culture, fashion and luxury boutique design.

The Individual:

- Experience in a creative agency
- A strong mid-level designer who can turn ideas into practical designs
- A genuine interest and appreciation of design and visual culture across different areas
- A clear communicator who contributes to our very dedicated team
- Branding and brand development experience
- Understanding of client-agency relationships
- Strong time-management skills
- Bonus: experience of working with 3D departments and an understanding of 3D
