Agency: GLOCK

Job Title: Mid-weight 3D designer & visualiser

Location: East London

Salary: Depending on experience

The Job:

GLOCK are looking for a 3D designer to join our expanding interdisciplinary team in East London!

We are looking for a bright, smart and ambitious 3D designer/visualiser who is driven by challenging projects. You will be able to demonstrate how you have delivered in your previous role – passion, original ideas and high production values. You will have experience of brand building, a deep understanding 3D design, innovative thinking, technical knowledge and delivering at the highest level.

3D designing skills are a must. You will be required to take/create sketches and visualise them to a high standard as well as lending your talents to design briefs. We use CINEMA 4D and the usual Adobe programs.

The Individual:

- Cinema 4D expert
- Communicate designs with hand sketches
- Experience in a creative agency
- A strong mid-level designer who can turn ideas into practical designs
- A genuine interest and appreciation of design and visual culture across different areas
- A clear communicator who contributes to our very dedicated team
- Branding and brand development experience
- Understanding of client-agency relationships
- Strong time-management skills
